

Calling all Movers and Shakers and Friends!!!!

President's Message

Southern Splash

Our annual "Southern Splash" water trial is less than 4 weeks away. We hope you will join us on July 18th & 19th at Raleigh's Lake Montague.. The Movers and Shakers (M&S) second quarter meeting will be held at noon on Friday at the trial site. Please visit our website for the premium which has both directions and information (moversandshakers.org). Come watch, participate, help, attend the dinner and please, please support our auction fundraiser on Saturday night. Donations are always needed and appreciated.

Supported Entry

We've had a successful and busy year to date, starting with our Supported Entry during the Tar Heel Cluster shows in Raleigh on March 21st. We had a club dinner on Friday night at the Backyard Bistro.

Club members participated in both conformation and rally with many successes. John and Sarah Brock's "ACE" won Best of Breed in our sweeps. The judge was Mrs. Michelle Scott. Check out other winners included in this newsletter.

Water Season

We launched the water season this year at High Falls Park on May 1st with a three day camp. Tom and Judy Leather were our trainers, providing everything from their knowledge and experience to lunch and the equipment to ensure the huge success of this camp. We shared the event with many of our friends from South Carolina, Georgia and Florida. Kathy Clark and her husband Aaron were our generous hosts for a dinner at the lake and provided a wonderful evening at their clubhouse for all of us. Thanks to Kathy and Aaron for such a lovely evening.

We are so fortunate to have found a new site, High Falls Park is exceptionally nice and we will be holding a camp there again next May. Linda Fowler and Judy Leather are working on an unprecedented four day joint trial with the USSPWD to be held there in October of 2016 – keep an eye out for more exciting news about this event.

Two weeks later, on May 16th & 17th, we held our second water workshop with Chuck and Vicki Robinson at the Luther Britt Park in Lumberton, NC. The Robinson's provide in-depth "problem solving solutions" for our training. Once

again, it was wonderful to see the progress that handlers and dogs made this weekend. The park is the site for our September Water Trial – another first for Movers and Shakers.

Jill Flebotte hosted a dry land workshop for water at her pond on April 11th. Jill, a long time club member continues to provide encouragement, assistance and the use of her wonderful pond for club members who have or want to take the plunge into water work. She also provided one of her legendary practice sessions on Saturday, June 6th for club members. Jill, once again, the club owes you a tremendous amount of gratitude.

Above and Beyond

We are so blessed to have so much talent among our members and friends. We have the opportunity to try new adventures and tackle old challenges with our dogs. The wealth of knowledge provided to us from people like Tom and Judy Leather, Chuck and Vicki Robinson and Jill Flebotte is a special benefit for our club members.

Once again, I appeal to all of you to step up and be involved. Your club depends on your participation and volunteerism to ensure success.

Marlene

Lumberton Water Workshop

Seneca Water Practice

“Never had so much fun rocking and rowing!”

Lumberton Participant: “Like last year I really liked Chuck and Vicki's problem-solving approach and was very happy to see and meet so many new people.”

Seneca Participant: “A great location, beautiful weather, and wonderful group of people and dogs. The other participants were most helpful, not only regarding the WWD exercises, but general training and expectations for my dog. I learned so much!”

TWO OF THE
WINNERS OF THE MOVERS AND
SHAKERS SUPPORTED ENTRY
at the TARHEEL CLUSTER (March, 2015)
